15 The Court held a telephonic case management conference in this case today. During the  
16 conference, counsel for the plaintiff informed the Court that the proof of service filed on February  
17 6, 2015 is likely inadequate. Counsel requested an extension of time to serve the defendant to  
18 March 1, 2015. Counsel further stated that if the plaintiff is unable to successfully serve the  
19 defendant by March 1, 2015, the plaintiff will dismiss the case. With that understanding, the  
20 Court extends the deadline to serve the defendant to March 1, 2015. A further telephonic case  
21 management conference is scheduled for March 17, 2015, at 11:00 a.m. Plaintiff is directed to  
22 provide the Court and any other parties a telephonic conference phone number no later than 3  
23 court days prior to the hearing.
